

THE VARIANT PLANNING SHEET

Launch a range from one visual system. Lock the top half once. Fill the bottom half per variant.

LOCK THESE ONCE

- ☐ Camera angle and lens look
- ☐ Light direction and shadow
- ☐ Surface and background treatment
- ☐ Pack position, headline position, logo position
- ☐ Typefaces, by name
- ☐ The motion: one move, in one sentence

PER VARIANT

- ☐ Variant name
- ☐ Ground colour, as a hex code
- ☐ Accent colour, as a hex code
- ☐ One word or line that changes
- ☐ Pack artwork file, final
- ☐ Formats needed: vertical, square, wide, listing

THE TEST

Could someone who has never met you make variant six from this page alone? If yes, you have a system.
